Dear Mr. Duffy,

On behalf of all of us at the Denver Broncos, I would like to express my thanks for the care and effort provided by you and your staff during our recent visit to your property.

The combined efforts of your staff made our stay at your hotel both enjoyable and memorable. Please express our thanks in particular to Kyrstan Martin and Chardell Robinson, who were great throughout the weekend. From our arrival Sunday through our departure Monday, they each personally ensured our needs were met timely and efficiently. With the help of their hard work, as well as the rest of the event staff, our stay met the very high standards we place on hotels.

Please also thank Margaret Lee for her great hospitality. She always does a great job in taking care of us and making sure we have the meeting space and sleeping rooms to accommodate our needs.

We look forward to an opportunity to possibly visit you again in the future.

Sincerely,

Colin "Chip" Conway
